no explanation of the relevance of documents UA and UB is believed to be required under 37 C.F.R. §1.98.

Documents FA to FF are not in the English language. However, the concise explanation of the relevance of the documents required under 37 C.F.R. §1.98 is believed to be satisfied. The requirement for document FA is believed to be satisfied by an English language abstract thereof. The requirement for document FB is believed to be satisfied by an English language translation thereof. The requirements for documents FC to FF are believed to be satisfied by submission of documents UA and UB, respectively. Document FC (cover page) is a patent publication of document FD that is a Laid-open publication of Japanese patent application No. 7-153404. Document FE (cover page) is a patent publication of document FF that is Laid-open publication of Japanese patent application No. 9-252272. Documents UA and UB correspond to documents FC and FD, and documents FE and FF, respectively.

Please note that documents FA to FC and FE are described in the paragraph beginning at page 3, line 4, in the specification of the present application. Document FA is also described in the
